

ZEUS SERIES
PERFORMANCE SPORTS LIGHTS

CHANGE THE GAME

Transform every event into a fan-favorite spectacle with purpose-built sports lighting for municipal and collegiate outdoor fields.

KEY FEATURES

- Up to 188,500 lumens and 150 lm/W
- 3 Multi Power models (300/400/500W, 680/750/800W, or 1000/1200/1300W)
- 5000K (4000K available as special order) to suit popular sports field applications
- Multiple Lens Options for configurable optics
- Optional Visor available to prevent glare and light spill
- IP66 and IK08 Rated to protect against environmental factors and resist physical impacts
- 10kV Built-in Driver, plus 20kV supplemental surge protection
- Snap-on installation design enables single-person installation
- Incremental 2.5 degree tickmarks allow for precise aiming and consistent alignment
- Remote Mounting capability allows drivers to be installed at field level for easy servicing (requires optional 35ft or 65ft extension cords)
- 2 Mounting Options: Yoke (included) and Slip Fit (optional accessory)
- Fixture-mounted Photocell Sensor accessory available

SHINE BRIGHT, PLAY HARD

The ZEUS Series Sports Light delivers unmatched brightness and clarity, transforming any field into a professional-grade arena with uniform, powerful illumination. Engineered to enhance visibility for athletes, fans, and broadcasters alike, it provides precision lighting that performs as brilliantly as the athletes it showcases.

BASEBALL DIAMONDS

Provide crisp, uniform illumination that eliminates shadows, enhances visibility for players and fans, and ensures every pitch, hit, and catch shines.

PUBLIC STADIUMS

Deliver powerful, even illumination that enhances visibility, elevates the fan experience, and ensures every event — from games to concerts — illuminate with brilliance.

OUTDOOR COURTS

Offer glare-free illumination, ensuring players can track every serve and volley while creating the perfect environment for evening matches and tournaments.

SKATE PARKS

Illuminate every ramp, rail, and trick with clarity, enhancing safety, extending usability into the night, and creating an energized atmosphere for skaters of all levels.

PERFORMANCE SPORTS LIGHTS

Order	Model	Voltage	Wattage	CCT *	Lumens	Beam Distribution
R53051	RENO-SP-MW-DV-50K-30D-R1	120-347V	300/400/500W	5000K	Up to 75,000 lm	30° (20°, 45° and 60° optional)
